Soren Chase's life was shattered eight years ago after an encounter with a supernatural being left three friends dead and him branded as a murderer. Since then, he's become a paranormal investigator, facing off against a host of deadly creatures. But his investigation into the haunted Reapoke woods may be his most dangerous case yet.

Something evil is lurking in the forest. Some say it's the ghost of a preacher who vanished two centuries ago; others claim the woods are the site of sinister experiments by a shadowy organization. Hired to find a missing girl, Soren is determined to learn the truth. But what he discovers is far darker than he imagines—and it may force him to confront his own tragic past.

From the author of the bestselling *Sanheim Chronicles*, *The Forest of Forever* is the start of a new series that mixes urban fantasy, mystery, and suspense into a novel that you can't put down. Because nothing is what it seems in *The Forest of Forever*, and once you enter, you may never leave . . .
