**The Memory Palace of Matteo Ricci** Jonathan D. Spence

**From the renowned historian and author of *The Death of Woman Wang*, a vivid and gripping account of the 16th-century missionary's remarkable sojourn to Ming China**

In 1577, the Jesuit Priest Matteo Ricci set out from Italy to bring Christian faith and Western thought to Ming dynasty China. To capture the complex emotional and religious drama of Ricci's extraordinary life, Jonathan Spence relates his subject's experiences with several images that Ricci himself created—four images derived from the events in the Bible and others from a book on the art of memory that Ricci wrote in Chinese and circulated among members of the Ming dynasty elite. A rich and compelling narrative about a fascinating life, *The Memory Palace of Matteo Ricci* is also a significant work of global history, juxtaposing the world of Counter-Reformation Europe with that of Ming China.
