Gary C. Jacobson, Jamie L. Carson

**The Politics of Congressional Elections** Gary C. Jacobson, Jamie L. Carson

Gary Jacobson's classic text provides students with a comprehensive introduction to congressional elections and the electoral process. Based on the latest data from the National Election Study, the Cooperative Congressional Elections Study, and the Federal Election Commission, the Ninth Edition has been brought completely up to date, including coverage and analysis of the 2012 and 2014 elections. New coauthor, Professor Jamie L. Carson of the University of Georgia, brings to bear new insights into the changing roles of voters, Congress, political parties, and the media. Pairing historical data analysis and original research with fundamental concepts of representation and responsibility, *The Politics of Congressional Elections* presents students with the tools to evaluate representative government, as well as their own role in the electoral process.
