Your Dreams Count: A Layman's Approach to Dream Analysis Paul Peck

Paul Lachlan Peck has spent more than fifty years researching dreams, and more than twenty years teaching classes in *Your Dreams Count*. Using an eclectic approach, he weaves the tarot, numerology, eastern and western astrology, colors, Scriptural symbolism and many other themes into this handbook on dream analysis for the layman. Peck shows the dreamer how to:

- Lay the foundation for dream analysis by discussing the definition of dreams
- Gain the important practices and belief systems needed to expand your dream language
- Identify certain common, and uncommon, objects that appear in dreams

Your Dreams Count will make the answers to your questions about last night's dream as clear as day. This clarification will benefit four major areas of your life—health, wealth, work, and love. To be used along with your favorite dreamer's dictionary, *Your Dreams Count* shows you how to successfully recall, record, and interpret your dreams.
