Tourism, Development and Growth: The Challenge of Sustainability

Tourism, Development and Growth: The Challenge of Sustainability

Distinguishing between sustainable development and sustainable tourism, the authors examine whether and in what form, tourism can contribute to sustainable development and growth. Focusing on different types of tourism appropriate to particular situations, the team of leading contributors draw on examples from around the world - Canada, USA, Spain, Belgium, UK, Australia - to explore tourism's contribution to the economic, social, political and environmental advancement of developing countries, and the challenges to and importance of tourism in industrialised nations.
