## Physicians at War: The Dual-Loyalties Challenge (International Library of Ethics, Law, and the New Medicine)

Recently, there has been a tremendous interest in the ethical issues that confront physicians in times of war, as well as some of the uses of physicians during wars. This book presents a theoretical apparatus which underpins those debates, namely by casting physicians as being faced with dual-loyalties during times of war. While this theoretical apparatus has been developed in other contexts, it has not been specifically brought to bear on the ethical conflicts that wars bring.
