## **The Jesus Code** John Randolph Price

In a very vivid dream during the night of January 1, 1998, John Randolph Price was emphatically denied access to the secret gate leading to Cosmic Consciousness. Both curious and concerned, he pondered what to do next. Then he was suddenly given the specific instruction: see Jesus for the Code. John began the task immediately upon awakening, first with quiet prayer to become attuned to the 'mind which was in Christ Jesus', followed by several days of meditative inner plane work. There was little progress until he took a break from the project and went for a long walk in the woods. And it was there that he heard the central message of the Code - a challenge for all of us to embrace a new Model of Reality, and change our perspective on what it means to be 'spiritual' in this world.
