The Old North Trail Walter McClintock

Walter McClintock went to Montana with a US Forestry Service expedition in 1896. He spent the next four years living on the land with the Blackfeet, one of the most northern of the Great Plains tribes. He was adopted into the tribe by the Chief Mad Dog, and got a chance to learn their traditions firsthand. The book presents Blackfeet folklore and religious traditions in context. The narrative of his gradual adoption into Blackfeet society is a classic Western tale, but it is also a classic of 19th century ethnography. Unfettered by modern anthropological protocols and given total access by his hosts, McClintock produced the primary source on the Blackfeet just after the collapse of their traditional way of life. --J.B.
