"Outstanding, delivers the right message at a critical time!" -- Beverly Boston, Author, Business Coach & Mentor

"Impactology is a book that WILL challenge you to find your genius..." -- Geoff Reese, Youth Ministry Director

Impactology explores:

- How the world views success (value of one's life) and why you've never, and will never find it meaningful or motivating.
- A different measure of success, one better suited for extraordinary pioneers like you (we call this Net Impact).
- Why you've always felt different, isolated and inhibited within society's rigid systems, and how this makes you an extraordinary pioneer.
- How to better understand yourself, by identifying your special gifts (Impact Archetype) and unique genius (Impact Factor).
- Understand the challenges you've faced in trying to reach your true potential, and more importantly, how to recognize those challenges as hidden opportunities.
- How to increase your capacity for greatness, to reach your true potential and meet your purpose head on by moving from a victim to a catalyst who creates a legacy (we call this the Impact Agency Spectrum).

At the root of our work together is the belief that YOU are likely an extraordinary pioneer who has a different world view, you think and solve problems differently. When you are nurtured outside of society's definition of success and rigid systems, you're better equipped to embrace your genius, increase your capacity for greatness and step into your significant place in the world.

"Be a smart person and dare to care... Maria and Sarah touch on the process of developing the art of genius and greatness by giving the reader practical tools and insights into developing the qualities found in extraordinary impact agents who want to make a significant difference. This is a must-read for any caring thought leader that wants to make an even bigger lasting impact and succeed in today's world." -- Beverly Boston, Author, Business Coach & Mentor

"Are you destined for a cause? Do you seem to get it when others don't get you? If you feel you have more to offer but are not sure how to define it and live to constantly push the limits of giving more? Then you just may be an impact agent. Impactology is a book that will challenge you to find that genius inside of you. This book is about finding and defining your true potential." -- Geoff Reese, Director for North Texas Youth for Christ
