*The New York Times bestselling author of Ancients and Leviathan returns with another adrenaline rush—the latest thriller in the Event Group Series*

Twenty thousand years ago, when man crossed the land bridge to North America, creatures called *They Who Follow* made the great trek as well. But once in the new continent, the giant beasts disappeared, whether into hiding or extinction, no one knew.

Centuries later, a battered journal—the only evidence left from the night of the Romanovs' execution—turns up in a rare bookstore. As the U.S. and Russians vie for the truth, and the lost Romanov treasure, they collide with a prehistoric predator thought long-extinct.

It's up to the Event Group to lay to rest the legends. On an expedition into the wilds of British Columbia, Colonel Jack Collins and his team make a horrifying discovery in the continent's last deep wilderness, where men have been vanishing for centuries.
