Curious George and Friends: Favorite Stories by Margret and H. A. Rey features eight classic stories by the creators of Curious George. The book opens with an introduction called “Memories of the Reys” by Margaret Bloy Graham, the illustrator of the popular Harry the Dirty Dog and other books about Harry. Graham was a long-time friend and neighbor of Hans and Margret Rey. Throughout their lives the Reys created many lively books together. The character for whom the author-illustrator team became best known, Curious George, arrived as one of many monkey children in Cecily G. and the Nine Monkeys, Hans’s first book for children. Encouraged by their publisher and children throughout the world, the Reys continued with more books about Curious George. In the meantime, the Reys published a number of books showcasing their creative talents and their rare, immediate connection with childhood. These books feature characters, all with their own personalities, and a few with resemblances to George. Whether they come to you as new friends or old, they are sure to entertain children’s book lovers everywhere.
