Maureen Davenport finally gets to direct Avalon's annual holiday pageant, and she's determined to make it truly spectacular. But former child star Eddie Haven is turning out to be a tattooed lump of coal in her stocking. Eddie can't stand Christmas, but a judge's court order has landed him right in the middle of the merrymaking. He and Maureen spar over every detail of the pageant, from casting troubled kids to Eddie's original—and distinctly *un*traditional—music.

Is he sabotaging the performance to spite her, or is she forcing the show into her storybook-perfect notion of Christmas? And is it possible that they're falling in love?
