## **Mommywood** Tori Spelling

If you thought Tinseltown was tough...

Tori Spelling might have grown up with everything a girl could wish for, but these days she's just another suburban working mom...whose toddler regularly recognizes her in the pages of *Us Weekly*. Welcome to *Mommywood*, where the stars are two feet tall and your neighbors know who you are before you move in.

Like most parents, Tori wants her children to have the one thing she didn't have as a kid -- a normal family. On their hit Oxygen reality show, *Tori & Dean: Home Sweet Hollywood*, the starlet and her husband Dean McDermott regularly wrestle dirty diapers, host the neighborhood block party, and tackle temper tantrums on the red carpet. But when the cameras aren't rolling, Tori's still having awkward run-ins with a former *90210* costar at a laser tag birthday party, scooping rogue poo out of the kiddie pool on a resort vacation, and racing to win back her pre-baby body before the media starts calling her fat. For all her suburban fantasies, Tori Spelling is no June Cleaver.

With the same down-to-earth wit that made her entertaining memoir *sTORI telling* a #1 *New York Times* bestseller, Tori tells the hilarious and humbling stories of life as a mom in the limelight. From learning to be the kind of parent her own mother never was to revealing what it's like to raise a family while everyone is watching, *Mommywood* is an irresistible snapshot of celebrity parenthood that you won't get from the paparazzi.
