Whether it's cartwheeling naked across a rugby field in front of an audience of one billion (including your dad); playing eleven-minute soft rock tracks on night-shift radio as cover for some adult magazine fumbblings; getting your appendix removed to avoid an English lesson; or stealing KISS's groupies and charging the champagne to Gene Simmons' hotel room, we've all done something in our dim, dark past that must *never be spoken of again*. Yet, bizarrely, the editors of *Your Mother Would Be Proud* have managed to persuade a host of Australia's best-known celebrities, writers, comedians, actors, and musos to immortalize some of their most scurrilous secrets in print. The result is one of the most revealing collections of true life confessions ever to be compiled—and it's all for a good cause!
