Assassin 3 - The Wrong Man (Assassin Series) Bryan Murray

When former government assassin Jake Harrigan and his business partner and former agent Sarah Schaumberg fly to England for the funeral of Jake's grandmother, they have no idea what treachery lies ahead.

Sean Quinn, a demented rogue terrorist, is planning his revenge on Jake for previously killing his two brothers in a military drug intervention in Columbia, by implicating him in a world-shattering terrorist assassination attack in England.

Using an amazingly lifelike mask of Jake, Quinn plans to ensure that Jake is identified as the assassin when he makes the hit. The mega-problem, however, is that the target of the assassination is Her Majesty the Queen!

The attack fails but Quinn's plan works when Jake is mistakenly identified as the attempted assassin and as Quinn makes his getaway, Jake and Sarah suddenly find themselves the target of a nationwide manhunt. Desperately trying to stay one step ahead of the extremely angry English security forces, Jake realizes that their only hopes of clearing their names is to bring in the deadly would-be assassins themselves.
