The shooting of Michael Brown occurred on August 9, 2014, in Ferguson, Missouri, United States. Brown was an unarmed, 18-year-old African-American male, killed after it was reported that when confronted by an officer, he went for the officer's gun. He subsequently ended up being shot at least 7 times by Ferguson police officer Darren Wilson, as he was purported to be holding his "Hands Up" saying, "Don't Shoot." The incident sparked protests and acts of vandalism in the St. Louis suburb, as well as national calls for an investigation. The rallying cry for this protest became the slogan "Hands Up, Don't Shoot." In this book "Hands Up, Don't Shoot," Brondon Mathis gives a balanced, sociological and biblical approach of how America can deal with the challenges of the unspeakable horrors of police brutality that still plague the African-American communities in the 21st century. It will also address how to deal with youth violence, black on black murder, sexual immorality, and the influence of the hip-hop and pop cultures, that are plaguing our communities from within. This book will encourage all races, ethnicities, and people groups to continue to reach for the dream of Dr. Martin Luther King Jr., to sit down at the table of brotherhood, to learn how to live together as brothers and sisters. Hands Up Don't Shoot, will encourage African-Americans to look within the soul of the African-American communities to rise to the majestic heights of meeting physical force with soul force in dealing with this issue in our generation.
