Samantha Moon Rising follows your favorite suburban-mother vampire to where she’s never gone before as she tackles her most frightening case yet. Someone is leaving victims drained of blood, and all signs point to the killer not being a vampire. Meanwhile, Samantha can’t help but notice the changes coming over her son—fantastical changes that will leave her searching desperately for answers. As she tracks down a ruthless killer, and as her own humanity slips further and further away, an ancient relic holds a secret that will rock her world ... and open up a whole new one.

Next, Samantha Moon is hired to look into the suspicious death of a popular fighter and quickly discovers there is far more to the story than meets the eye. Now, as she uncovers clues into the boxer’s past, she will come face-to-face with something unexpected ... and something only whispered about. And as the case takes an unexpected turn, Samantha must confront the growing supernatural powers of those closest to her—and a betrayal that will rock her world.

Finally, Samantha is summoned to a remote island in the Pacific Northwest, where she must hunt down a clever killer, one who’s killing spree spans generations. Through it all, Samantha Moon struggles with the thing she has become, the thing that threatens to steal her humanity and all that she loves.
