Volume II.

Here, in five double volumes, is the complete and unabridged original edition, text and photographs carefully reproduced in the original format and full size.

These pictures can be viewed as art, as history and as journalism. Covering every aspect of the war --from the front to weapons, from tactics to the wounded, from everyday life to grief, from victory to defeat—these volumes are a testament to a mighty conflict and to the great nation which emerged from it.

This volume describes the decisive battles of the Civil War, and the Cavalry on both sites of the battle.
