Waiting in Wonder: Growing in Faith While You're Expecting Catherine Claire Larson

A devotional journal inviting women to embrace the spiritual journey that awaits as they prepare for the high and holy calling of motherhood.

Expecting a baby is a time of unfolding wonders—from the jolt of first heartbeat, to the buds of tiny fingers, to the flutter of little kicks. During pregnancy, a mother's body nourishes this quiet miracle's development. But through the trials of morning sickness, the anticipation of labor, and the questions of whether she'll be a good mother, she'll need her own nourishment—both physical as well as spiritual. She'll want to nurture her own heart so that she may one day strengthen the spiritual life of this child entrusted to her.

Waiting in Wonder guides readers through the weeks of pregnancy with devotions designed to encourage, strengthen, and inspire. Each devotion includes Scripture and journaling space for writing personal thoughts, prayers, dreams, even love letters to the growing baby. And when baby is born, mother will hold a lifelong keepsake for rereading and reliving a truly wonder-filled time of physical change and spiritual growth.
