Abortion and Social Responsibility: Depolarizing the Debate (Studies in Feminist Philosophy) Laurie Shrage

Shrage argues that *Roe v Wade*'s regulatory scheme of a six-month time span for abortion on demand polarized the public and obscured alternatives with potentially broader support. She explores the origins of that scheme, then defends an alternate one--with a time span shorter than 6 months for non-therapeutic abortions--that could win broad support needed to make legal abortion services available to all women.
