Voices In The Dunes was released in 1991 by Rolf Sonnemann, Peter Stöferle and Matt Hargreaves. It was the most comprehensive TD discography at that time. "After three years of intensive work, the book is done. Some readers may ask how such a thorough work had its beginning. As with many plans, this began as a vague idea which solidified and in time became this book. None of us had any idea how much time, money, and difficulty this project would eventually cost. In spite of this, it was always fun." - Rolf Sonnemann
