## **Caribbee** Thomas Hoover

The Untold Story of the First American Revolution Barbados, 1648. The lush and deadly Caribbean paradise, domain of rebels and freeholders, of brigands, bawds and buccaneers. Where the flames of revolution exploded a full 130 years before engulfing the American mainland. And where a dark, enslaved race secretly practiced the mysterious rites of a distant continent while daring to whisper the forbidden word... "Freedom." This is the sweeping tale of Hugh Winston, lusty, swashbuckling captain of The Defiance, and the lovely, tempestuous firebrand Katherine Bedford; the two trapped in a bloody pitched battle against the overwhelming forces of British tyranny. A story of love and betrayal, of slavery, war, piracy in the exotic land that gave birth to the fiery American ideal of "Liberty or Death." From the splendor of Barbados, to the rain forests of Tortuga, to the battle-scarred Jamaican coast, a magnificent novel of a time, a place, and a people you will never forget.

#### **Ann Amos:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Caribbee can make you feel more interested to read.
