Michael O'Brien

John F. Kennedy's Women: The Story of a Sexual Obsession Michael O'Brien

After an initial honeymoon with historians, in recent years John F. Kennedy has been more carefully scrutinized. Michael O'Brien, who knows as much about Kennedy as any historian now writing, here takes a comprehensive look at the feature of Camelot that remained largely under the radar during the White House years: Kennedy's womanizing. Indeed, O'Brien writes, Kennedy's approach to women and sex was near pathological, beyond the farthest reaches of the media's imagination at the time. The record makes for an astonishing piece of presidential history.

Michael O'Brien was born in Green Bay, Wisconsin, and studied at the University of Notre Dame and the University of Wisconsin at Madison, where he received a Ph.D. in history. He is the author of the widely praised *John F. Kennedy: A Biography*, a full-scale study based on eleven years' research into letters, diaries, financial papers, medical records, manuscripts, and oral histories; and a concise analytical life of the president, *Rethinking Kennedy*. He is now emeritus professor of history at the University of Wisconsin, Fox Valley, and lives in Door County, Wisconsin.

Is it you actually who having spare time in that case spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This John F. Kennedy's Women: The Story of a Sexual Obsession can be the respond to, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this new era is common not a nerd activity. So what these guides have than the others?

Kim Gray:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this John F. Kennedy's Women: The Story of a Sexual Obsession can make you truly feel more interested to read.
