*If nothing else, Mr. Cook is a man of his word. But all I want is for him to go against it, if only just this once.*

His actions tell a different story than his words and I will never understand him. Is he trying to protect me? Does he not feel the connection we have? Why is he so damn adamant about leaving my life, forever?

All I know is that I need to change his mind. This can't be it. This can't be the end.
