The Journal of Inductive Biblical Study intends to promote the hermeneutical approach to the study of the Scriptures generally known as Inductive Biblical Studies. By Inductive Biblical Study (IBS) we mean the hermeneutical movement initiated by William Rainey Harper and Wilbert Webster White that was embodied in the curriculum of The Biblical Seminary in New York founded in 1900. This approach had precursors in the history of interpretation and has since the beginning of the twentieth-century enjoyed widespread dissemination, being taught at such institutions as Princeton Theological Seminary, Columbia Theological Seminary, Union Theological Seminary in Virginia, Fuller Theological Seminary, Associated Mennonite Biblical Seminaries, Azusa Pacific University, and Asbury Theological Seminary, as well as hundreds of other institutions and organizations around the world.
