**The New Topping Book** Dossie Easton, Janet W. Hardy

Two decades ago, this book (and its companion volume, *The New Bottoming Book*) began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised *New Topping Book* gives even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! "Easton and Hardy tackle the Top... and bring that elusive critter down neatly and with a certain flair. This is good stuff, important stuff... an excellent guide to topping, both for the rank novice and for the player who just wants words to put to all the thoughts and feelings that have resisted categorization." - Laura Antoniou, Sandmutopian Guardian
