CD Version - 6 Compact Discs and PDF Workbook

The Next Step in Your Personal Transformation!

Journey into an incredible spiritual terrain unknown to all but the most adventurous seekers.

In *The Journey Beyond Enlightenment*, internationally-acclaimed author and "spiritual warrior" Stuart Wilde will show you how to access and enter what he calls the Mirror World - a hyperdimensional reality that exists beyond the constraints of time, space, and intellect. A reality that lies just past the limits of ordinary vision. A reality which, once you enter it, will reveal the astonishing power of true, authentic spirituality.

Stuart presents a host of guidelines, mechanisms and practical exercises for entering this mirror world and navigating your way through it. As you progress along this remarkable voyage, you will discover

- *How to experience the collective unconscious as a physical dimension you can actually travel to, inhabit and explore.
- *The best time of day to view the mirror world.
- *The bodily sensations that indicate you are engaged with the mirror world
- *How striving for "enlightenment" in the conventional ways is actually keeping you further from it.
- *Astonishing new biophysical research that supports the existence of the etheric field.
- *The key to making yourself invulnerable to dark energies.
- *And much, much more.
