Since everyone migrated up to the “Tin Cup” in Montana and has got or is gettin’ married, Johnny Nelson decides everyone on the Ranch has become too domesticated for his taste. He heads off to find a new ranch where the cowpokes are more fun like the Bar-20 was in the old days. What he finds is: Rustlers! And lots of them!

This book has been carefully edited “line-by-line” to eliminate transcription errors and to match the original edition. It has not been “edited for content” and includes all original racial slurs, odd spellings, cussing, drinking and the like.
