When you got married, life was great...until the day after the honeymoon. That's when you realized that you had no idea how to be the husband you just committed to be. A lover? Maybe. But a husband? Not likely. Typically, we go to school to learn how to be doctors, lawyers, teachers, accountants and so forth. But have you ever heard of a school for Husbands? Again, not likely. Often, the only education we men receive, comes from the "hands on" training. Life and our wife are the teachers. ..."In a society where the institution of marriage has been reduced to nothing more than the paper it's written on, this book is a refreshing approach. His handling of delicate matters with humor in marriage provokes one to choose commitment & the hard work that goes with it!" - Dr. Sherill Piscopo. A Married Man's Handbook is full of tips, godly principles, examples and references to help you, the husband, be the man that your wife fell in love with. Dr. Tom Rea has a passion to see the relationships in marriages thrive. He shares many personal stories from his almost 22 years of marriage with his wife Jeana, to encourage the readers. Maybe your marriage is doing great or maybe just the opposite. Whatever the case, we must consider the Vow that we made to our spouse and determine in our hearts to keep those vows with everything within us! It's time for the husband, God created you to be, to come alive! If you, your marriage or family is in trouble or just needs a little spark to rekindle love's flame, then you have the right book in your hands.
