Beyond Belief? Peter Meadows, Joseph Steinberg

Is there more to life than this? Why are we here? Where are we going? What does it matter? What could elephant dung, a tin squash ball and the world's least successful kite flyer have to do with life's greatest questions? This book will tell you. Using contemporary illustrations and written in a warm and humorous style, *Beyond Belief?* demonstrates a remarkable ability to cut to the heart of life's important issues. With a refreshing lack of religious jargon or overused clichés, *Beyond Belief?* is the perfect book for all those wishing to investigate the Christian faith without the 'packaging' often associated with today's church. *Beyond Belief?* provides the main material for the Y Course, an 8 week evangelism course, designed for those beyond the fringes of the established church.
