Remake Television: Reboot, Re-use, Recycle

Remake Television: Reboot, Re-use, Recycle

Remakes are pervasive in today's popular culture, whether they take the form of reboots, "re-imaginings," or overly familiar sequels. Television remakes have proven popular with producers and networks interested in building on the nostalgic capital of past successes (or giving a second chance to underused properties). Some TV remakes have been critical and commercial hits, and others haven't made it past the pilot stage; all have provided valuable material ripe for academic analysis.

In *Remake Television: Reboot, Re-use, Recycle*, edited by Carlen Lavigne, contributors from a variety of backgrounds offer multicultural, multidisciplinary perspectives on remake themes in popular television series, from classic cult favorites such as *The Avengers* (1961–69) and *The X-Files* (1993–2002) to current hits like *Doctor Who* (2005–present) and *The Walking Dead* (2010–present). Chapters examine what constitutes a remake, and what series changes might tell us about changing historical and cultural contexts—or about the medium of television itself.

From reader reviews:

Kenneth Kelly:

Here thing why that Remake Television: Reboot, Re-use, Recycle are different and trusted to be yours. First of all looking at a book is good but it depends in the content of the usb ports which is the content is as scrumptious as food or not. Remake Television: Reboot, Re-use, Recycle giving you information deeper and in different ways, you can find any guide out there but there is no publication that similar with Remake Television: Reboot, Re-use, Recycle. It gives you thrill looking at journey, its open up your own personal eyes about the thing that happened in the world which is probably can be happened around you. You can actually bring everywhere like in area, café, or even in your way home by train. If you are having difficulties in bringing the paper book maybe the form of Remake Television: Reboot, Re-use, Recycle in e-book can be your alternative.

Michelle Labat:

Information is provisions for anyone to get better life, information these days can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is from the former life are difficult to be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you have the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Remake Television: Reboot, Re-use, Recycle as the daily resource information.

Garry Brown:

This Remake Television: Reboot, Re-use, Recycle is new way for you who has attention to look for some information mainly because it relief your hunger info. Getting deeper you on it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Remake Television: Reboot, Re-use, Recycle can be the light food for you because the information inside this specific book is easy to get by means of anyone. These books create itself in the form which can be reachable by anyone, yes I mean in the e-book application form. People who think that in reserve form make them feel drowsy even dizzy this reserve is the answer. So there isn't any in reading a reserve especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss this! Just read this e-book style for your better life and knowledge.

Annie Fowler:

A lot of reserve has printed but it is different. You can get it by world wide web on social media. You can choose the top book for you, science, comedy, novel, or whatever by simply searching from it. It is identified as of book Remake Television: Reboot, Re-use, Recycle. You can add your knowledge by it. Without leaving the printed book, it may add your knowledge and make a person happier to read. It is most critical that, you must aware about e-book. It can bring you from one spot to other place.
