There is an alternate version that tracks the movements of the series' protagonists throughout their vast world, along with more detailed versions of the western, middle, and eastern thirds of the world; a full map of Westeros, combining North and South; one of the Dothraki Sea and the Red Wastes; and the Braavos city map. And here, too, are fan favorites detailing everything from urban sprawl to untamed wilds: maps of King's Landing; The Wall and Beyond the Wall; the Free Cities; and Slaver's Bay, Valyria, and Sothyros.

Never before has the entire scope of Martin's universe been so exhaustively and fascinatingly depicted. The maps in this beautiful, one-of-a-kind collection will enrich your reading or viewing experience, provide another view of your favorite characters' epic journeys, and open up captivating new worlds—plus, they'll look great on any castle wall.
