## What the Gospels Meant Garry Wills

**“A remarkable achievement—a learned yet eminently readable and provocative exploration of the four small books that reveal most of what’s known about the life and death of Jesus.”** (*Los Angeles Times*)

In his *New York Times* bestsellers *What Jesus Meant* and *What Paul Meant*, Garry Wills offers tour-de-force interpretations of Jesus and the Apostle Paul. Here Wills turns his remarkable gift for biblical analysis to the four gospels of Matthew, Mark, Luke, and John. Wills examines the goals, methods, and styles of the evangelists and how these shaped the gospels' messages. Hailed as "one of the most intellectually interesting and doctrinally heterodox Christians writing today" (*The New York Times Book Review*), Wills guides readers through the maze of meanings within these foundational texts, revealing their essential Christian truths.
