## Personality Disorders: Toward the DSM-V

**Personality Disorders: Toward the DSM-V** offers a scientifically balanced evaluation of competing theoretical perspectives and nosological systems for personality disorders. Editors William T. O'Donohue, Scott O. Lilienfeld, and Katherine A. Fowler have brought together recognized authorities in the field to offer a synthesis of competing perspectives that provide readers with the richest and most nuanced assessment possible for each disorder. The result is a comprehensive, current, and critical summary of research and practice guidelines related to the personality disorders.
