Professor of symbology, Robert Langdon, wakes up in a hospital bed in Florence, Italy. He is dazed and confused, and he has no memory of how he got there. Together with Dr. Sienna Brooks and the mysterious canister found concealed in his possessions, he is lured into the dangerous world of puzzles and cyphers focused on one of the best literary works in the world, Dante Alighieri's *The Inferno*. Being hunted by a relentless assassin and the police, he will need to travel from Florence to Venice and Istanbul if he is to solve this mystery. He faces one of his most malicious adversaries yet, a gifted scientist who is fixated with the end of the world. In a race against time can he save the world from being permanently transformed and who can he trust to help him do it?
