After observing the strains of intense partisanship and divided government, many Americans are wondering what logic, if any, can be found in politics. The new Sixth Edition of *The Logic of American Politics* reaffirms this best-seller's place as the most accessible "smart" book on the market. Consistently praised for its engaging narrative, the book hooks students with great storytelling while arming them with a "toolkit" of institutional design concepts—command, veto, agenda control, voting rules, delegation.
