Daniel A. Nathan

Saying It's So: A Cultural History of the Black Sox Scandal (Sport and Society) Daniel A. Nathan

The story of "Shoeless" Joe Jackson and his teammates purportedly conspiring with gamblers to throw the World Series to the Cincinnati Reds has lingered in the collective consciousness for more than eighty years. Daniel A. Nathan's wide-ranging, interdisciplinary cultural history is less concerned with the details of the scandal than with how it has been represented and remembered by journalists, historians, novelists, filmmakers, and baseball fans. "Saying It's So" offers a series of astute reflections on what these different cultural narratives reveal about their creators and the eras in which they were created, producing a complex study of cultural values, memory, and the ways people make meaning.
