**Atherma Rodos: Ancient Greek Board Games (Greek Edition)** Gregory Zorzos

There is not a single being on this earth that has not played with some game at various stages of his/her life (from infancy right up to old age). There are very simple games and complicated games which train the body, the emotions, the brain or the intellect. This research analytically presents the whole structure of games and common archetypal elements that games contain in every population all over the world, which originated from the ancient Greek and European culture, especially of the ancient Greek philosophy about the way of creating of writing and ancient board games in the region of ancient Rodos. Note: Only the book in this version
