Cities and Urban Life (2nd Edition) John J. Macionis, Vincent N. Parrillo

Cities and Urban Life, authored by two of the best known textbook writers in the field, provides a comprehensive introduction to urban sociology, urban anthropology, and urban studies. Primarily sociological in approach, this book incorporates historical, social psychological, geographical, and anthropological insights. While strong in the classical urban sociology, it also gives extensive attention to the “new” political economy approach to urban studies. The text provides an introduction to the city, the history of cities and new trends, disciplinary perspectives, the anatomy of the city and the planning and evaluation of cities. For individuals interested in urban sociology, urban political economy and urban anthropology.
