Hell hath no fury like a ticked-off dragon...

Ysolde de Bouchier has a lot on her plate, which isn't unusual considering her Light Dragon mate Baltic is still at odds with just about everyone, starting with his former guard Thala and her outlaw posse, right down to his dragon god father. Ysolde herself fairs no better, since the First Dragon has her in his sights as well, demanding that she right past wrongs...and her time to do that is quickly running out.

With the help of some familiar friends, Ysolde sets into motion an elaborate plan that will have repercussions throughout the mortal and immortal worlds. But when a member of her family is held hostage, no one is safe from the fire of her rage.
