Homer

The Odyssey: (The Stephen Mitchell Translation) Homer

From Stephen Mitchell, the renowned translator whose *Iliad* was named one of *The New Yorker*'s Favorite Books of 2011, comes a vivid new translation of the *Odyssey*, complete with textual notes and an illuminating introductory essay.

The hardcover publication of the *Odyssey* received glowing reviews: *The New York Times* praised "Mitchell's fresh, elegant diction and the care he lavishes on meter, [which] brought me closer to the transfigurative experience Keats describes on reading Chapman's Homer"; *Booklist*, in a starred review, said that "Mitchell retells the first, still greatest adventure story in Western literature with clarity, sweep, and force"; and John Banville, author of *The Sea*, called this translation "a masterpiece."

The *Odyssey* is the original hero's journey, an epic voyage into the unknown, and has inspired other creative work for millennia. With its consummately modern hero, full of guile and wit, always prepared to reinvent himself in order to realize his heart's desire—to return to his home and family after ten years of war—the *Odyssey* now speaks to us again across 2,600 years.

In words of great poetic power, this translation brings Odysseus and his adventures to life as never before. Stephen Mitchell's language keeps the diction close to spoken English, yet its rhythms recreate the oceanic surge of the ancient Greek. Full of imagination and light, beauty and humor, this *Odyssey* carries you along in a fast stream of action and imagery. Just as Mitchell "re-energised the *Iliad* for a new generation" (*The Sunday Telegraph*), his *Odyssey* is the noblest, clearest, and most captivating rendition of one of the defining masterpieces of Western literature.
