The Salt Road Jane Johnson

From the author of *The Tenth Gift* comes another story of exotic, foreign lands, entwining storylines spanning generations, and the quests to overcome love lost.

The desert lay before them, and the secrets of the amulet . . .

From Taфраout's magnificent mountainside, Isobel absorbs the heat and romance of the Moroccan vista before her, with mosque and homes scattered far below. But a mere slip sees her tumbling uncontrollably into the arms of handsome rescuer Taïb, who notices her unusual silver amulet, and that her fall has revealed a tiny scroll hidden within. Entranced by the possibilities of its intricate and illegible script, they set out for the Sahara in search of a Tuareg elder to unlock the riddles of its past.

Little does Izzy realize that the desert holds the key to more mysteries than the amulet's. From beneath the beating sun emerges nomadic Princess Mariata, whose stories of tortured love bind her to the precious talisman in Izzy's hands. She's battled the sands; she's found and lost love among its dunes. And where the amulet crosses both their paths, answers to the deepest secrets lie.
