The Taming of the Queen Philippa Gregory

By the #1 *New York Times* bestselling author behind the Starz original series *The White Queen*, a riveting new Tudor tale featuring King Henry VIII's sixth wife Kateryn Parr, the first English queen to publish under her own name.

Why would a woman marry a serial killer?

Because she cannot refuse...

Kateryn Parr, a thirty-year-old widow in a secret affair with a new lover, has no choice when a man old enough to be her father who has buried four wives—King Henry VIII—commands her to marry him.

Kateryn has no doubt about the danger she faces: the previous queen lasted sixteen months, the one before barely half a year. But Henry adores his new bride and Kateryn's trust in him grows as she unites the royal family, creates a radical study circle at the heart of the court, and rules the kingdom as Regent.

But is this enough to keep her safe? A leader of religious reform and the first woman to publish in English, Kateryn stands out as an independent woman with a mind of her own. But she cannot save the Protestants, under threat for their faith, and Henry's dangerous gaze turns on her. The traditional churchmen and rivals for power accuse her of heresy—the punishment is death by fire and the king's name is on the warrant...

From an author who has described all of Henry's queens comes a deeply intimate portrayal of the last: a woman who longed for passion, power, and education at the court of a medieval killer.

You can m0ore very easily to read this book through your smart phone. The price is not too expensive but this book possesses high quality.

Bernard Lewis:

The book untitled The Taming of the Queen contain a lot of information on the item. The writer explains your ex idea with easy technique. The language is very simple to implement all the people, so do not necessarily worry, you can easy to read that. The book was written by famous author. The author brings you in the new time of literary works. It is easy to read this book because you can read on your smart phone, or product, so you can read the book inside anywhere and anytime. If you want to buy the e-book, you can open up their official web-site and also order it. Have a nice read.

Larry Pulido:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Taming of the Queen can make you experience more interested to read.
